DATA SHEET

connektgear 10m Mains Extension Power Cable - C14 Plug to C13 Socket

Brand: connektgear | **Product Code:** 27-0052B

DESCRIPTION

The connektgear C14 plug to C13 socket power cable is the perfect solution for extending the reach of your existing power connections. Whether you need to bridge the gap between a rack-mounted PDU and your hardware or simply need a bit more flexibility within a cabinet, this high-quality extension cable ensures your critical IT equipment remains powered. Constructed with premium, durable materials, connektgear has built this cable to meet the rigorous demands of professional and industrial environments. It provides a secure, firm connection that ensures reliable power delivery for servers, monitors, and networking hardware, keeping your setup professional and your connections stable.
