

connektgear 1.8m RJ45 to USB Type A Male Console Cable with FTDI Chip (Cisco Compatible)

Brand: connektgear | Product Code: 26-2987

DESCRIPTION

Take full control of your network hardware with our premium USB Type-A to RJ45 Console Cable. Engineered for network engineers, system administrators, and IT professionals, this lead is the "gold standard" for configuring, managing, and troubleshooting Cisco routers, switches, firewalls, and other network devices. Unlike generic alternatives, our cable features a genuine integrated FTDI chipset, providing the superior stability, reliability, and broad OS compatibility required for critical network management tasks.
