

connektgear 20m VGA Monitor Connector Cable (Male to Male) - Fully Wired + Ferrite Cores

Brand: connektgear | Product Code: 26-0200MM

DESCRIPTION

Keep your essential displays, projectors, and older hardware running perfectly with our high-quality VGA cable. Whether you are setting up a classroom projector, connecting a legacy monitor, or managing a reliable office workstation, our VGA cable provides the steady, trusted video transmission you need. Designed with durability and signal consistency in mind, this 15-pin cable delivers clear video quality up to Full HD (1080p), making it the perfect solution for environments where digital interfaces like HDMI or DisplayPort might not be available.
