

connektgear 2.5m UK Mains Power Splitter Cable - UK Plug to 2 x C13 Sockets

Brand: connektgear | Product Code: 27-0115B

DESCRIPTION

The connektgear UK mains to dual C13 power cable is the perfect solution for streamlining your workspace and reducing cable clutter. This high-quality "Y-splitter" lead allows you to power two devices - such as a PC and a monitor - from a single UK mains socket. It is an essential tool for environments where mains outlets are limited or hard to reach. Featuring a robust UK 3-pin plug at one end and two C13 sockets at the other, this cable is engineered for a secure and long-lasting connection to any devices equipped with C14 power inlets.
