connektgear 2m 8 Way Surge Protected UK Socket Tower Block with USB Type A and C Ports

Brand: connektgear | **Product Code:** 27-8020S/USB

DESCRIPTION

The connektgear 8-socket tower extension block is the ultimate space-saving solution for modern homes, offices, and workshops. This vertical power tower allows you to power up to eight standard appliances while simultaneously charging your mobile devices using the integrated high-speed USB ports. Featuring a 20W USB Type-C port and two USB Type-A ports, this tower utilises smart charging technology to automatically detect your connected devices and adjust the power output for optimal charging speed. By centralising your power needs, connektgear helps you keep your workspace organised and eliminates the clutter of multiple individual chargers. Safety is a top priority, which is why the tower includes a master
