DATA SHEET

connektgear 2m UK Mains Power Cable - UK Plug to C19 Socket

Brand: connektgear | **Product Code:** 75-0007

DESCRIPTION

The connektgear UK mains to C19 power cable is engineered to meet the demanding power requirements of enterprise-grade IT infrastructure. This heavy-duty cable is specifically designed to provide a safe and stable power link for high-current devices, including professional servers, high-performance network switches, and uninterruptible power supplies (UPS). Featuring a robust UK 3-pin plug at one end and a high-capacity C19 socket at the other, this cable is built for a secure and dependable connection to devices equipped with a C20 power inlet.
