

connektgear 2m UK Mains Power Cable - UK Plug to C7 (Figure 8) Socket

Brand: connektgear | Product Code: 27-0112B

DESCRIPTION

The connektgear UK mains to C7 power cable is the ideal solution for powering a wide variety of low-power electronic devices that do not require an earth connection. Frequently referred to as a "figure-of-eight" cable, it provides a safe and reliable power link for your home entertainment and office essentials. Whether you are powering a DVD player, a games console, a radio, a printer, or a portable charger, connektgear ensures a stable and secure connection every time. With a standard UK 3-pin plug at one end and a C7 socket at the other, this cable is specifically designed to fit devices featuring a C8 power connector.
