connektgear 30m VGA Monitor Extension Cable (Male to Female) - Fully Wired

Brand: connektgear | **Product Code:** 26-0300MF

DESCRIPTION

Need to move your monitor or projector just a little further away from your PC? This VGA Male to Female extension cable is the perfect solution for extending your existing setup without the need for new hardware. Whether you're setting up a meeting room, organising your desk, or connecting legacy equipment across the room, this cable ensures your display maintains a high-quality video connection. Designed for reliable performance, this extension cable bridges the distance while maintaining the clarity and sharpness you expect, supporting resolutions up to 1080p (Full HD).
