DATA SHEET

connektgear 3m Indoor Rubber Cable Protector 19 x 9.5mm Internal Channel - Black

Brand: connektgear | **Product Code:** 90-0290

DESCRIPTION

Maintain a safe, professional, and clutter-free environment with connektgear rubber cable protectors. Designed with both safety and functionality in mind, these protectors are the perfect solution for managing cables that run across walkways or under desks. Whether you are looking to prevent trip hazards in a busy office or protect your equipment cables from damage in a high-traffic home area, these durable covers provide the robust protection you need. Engineered for convenience, they feature sloping edges that allow office chairs, foot traffic, and equipment to pass over smoothly without snagging or tripping. The spacious internal channel is designed to hold multiple cables at once, ensuring your floors stay tidy and your cable
