

connektgear 4 Port USB 3.1 Type C Hub

Brand: connektgear | Product Code: 25-0065

DESCRIPTION

Stay ahead of the curve and unlock the full potential of your modern hardware with the connektgear USB 3.1 Type-C Hub. As newer laptops and PCs move toward sleeker designs with fewer ports, this hub acts as your essential bridge, allowing you to connect all your favorite legacy peripherals through a single, lightning-fast USB Type-C connection. Whether you are managing a busy professional workspace or just trying to keep your tech organized, this hub ensures you never have to sacrifice functionality for portability. You will enjoy unmatched convenience by expanding a single Type-C port into a comprehensive connection suite, allowing you to seamlessly integrate essential peripherals like keyboards, mice, printers, and external storage devices
