connektgear 5m HDMI Module and 2m Input Cable

Brand: connektgear | **Product Code:** 20-0016

DESCRIPTION

The connektgear 8K AV module and cable set is the ultimate solution for professional environments demanding the highest possible visual fidelity. Engineered to support the latest standards, this system provides a robust 8K resolution at 30 Hz, allowing for the seamless transmission of uncompressed video that captures exceptional clarity and detail. Designed specifically to meet the rigorous signal integrity requirements of 8K content, this set provides a comprehensive "end-to-end" solution. By including both the specialised input and output cables, connektgear eliminates the risk of signal degradation often caused by inferior or incompatible third-party cabling. This ensures you achieve optimal, high-performance results for large-format

PACKAGING SPECIFICATIONS

Box Quantity:	**15**
Pack Type:	**Bag**
Dimensions:	**255(W) x 320(H) x 0.2(D)mm**
