

connektgear DisplayPort to VGA Active Adapter (Male to Female) (DP Source)

Brand: connektgear | Product Code: 26-0700

DESCRIPTION

Bridge the gap between your modern DisplayPort-equipped devices and your reliable VGA monitors or projectors. Our high-performance DisplayPort to VGA adapter is designed to provide a crystal-clear, stable connection, allowing you to breathe new life into your existing display hardware without the need for expensive upgrades. Whether you are setting up a dual-monitor workstation, connecting a laptop to a boardroom projector, or simply decluttering your home office, this active adapter ensures your digital source communicates perfectly with your analogue display.
