

connektgear DVI to VGA Monitor Splitter Cable - DVI-I Male to DVI-D and VGA Females

Brand: connektgear | Product Code: 26-1511

DESCRIPTION

Optimise your workstation with our DVI-I to DVI-D and VGA splitter cable. This specialized cable is designed to solve the common connectivity challenge of running two different display types from a single DVI-I source. By effectively splitting the digital and analogue signals found within the DVI-I standard, this cable allows you to feed one digital (DVI-D) monitor and one analogue (VGA) monitor simultaneously, without sacrificing the quality of your visual output. Whether you are upgrading your setup and mixing newer and older monitors, or you simply need to mirror your desktop onto two different types of displays for a presentation, this cable provides the robust, reliable connection you require.

PACKAGING SPECIFICATIONS

Box Quantity:	81
Pack Type:	Bag
Dimensions:	200(W) x 60(H) x 300(D)mm
Material:	PBAT+ST
Product Weight:	0.14kg
Pack Weight:	0.0035kg
Total Weight:	0.1435kg
Carton Gross Wt:	12.0235kg
Country of Origin:	PR China
Barcode:	5035624022911

PRODUCT DETAILS

- Flexible strain relief moulded collar
- Lifetime warranty

TECHNICAL SPECIFICATIONS

- Connector 1: DVI-I (24+5)
- Connector 2: DVI-D Female
- Connector 3: VGA HD15 Female
