

connektgear HDMI to USB Type C Active 4K Adapter (Male to Female)

Brand: connektgear | Product Code: 26-0410

DESCRIPTION

Unlock the full potential of your displays with our Active HDMI to USB-C Video Converter. Designed to bridge the gap between legacy HDMI hardware and modern USB-C video-enabled monitors, this converter allows you to send high-quality video from your PC, laptop, or gaming console directly to a portable USB-C monitor or high-end creative display. Unlike standard cables, this high-performance adapter actively converts the signal to ensure you don't lose quality, frame rate, or colour depth. Experience fluid, lag-free visuals and get the most out of your modern screen setup.
