

connektgear Single Blanking Plate 25 x 50mm - White

Brand: connektgear | Product Code: 90-0104

DESCRIPTION

This single euro-module blanking plate is designed to neatly cover unused ports in modular faceplate installations. Suitable for 25 x 50mm euro-module systems, it helps maintain a clean, professional finish while preventing dust and debris from entering unused openings.

Made from durable white plastic, it simply snaps into compatible faceplates and is ideal for use in structured cabling, AV, and data installations where future expansion may be required.
