

connektgear Single Gang Back Box Surface Mount 32mm Deep - White

Brand: connektgear | Product Code: 90-0101

DESCRIPTION

This single gang surface mount back box is designed for neat and secure installation of network and electrical faceplates in structured cabling systems. Suitable for use with RJ45 data outlets and modular faceplates, it provides a practical surface-mount solution where recessed installation isn't possible.

Manufactured in durable white PVC, the box features multiple knockouts for flexible cable entry and a 32mm depth to accommodate wiring and modules comfortably. Its compact 85 x 85mm footprint ensures compatibility with standard single gang faceplates, making it ideal for home, office, and commercial installations.
